FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Dear Chairman Powell:

Enclosed please find a copy of Mr. Don Rich's comments. Mr. Rich, a constituent of mine from Conyers, Georgia, is concerned about FCC regulation 02-211 dealing with radar detector emissions. Please review Mr. Rich's request, and respond to me with the appropriate information to address his concerns.

Thank you for your attention to this matter. I look forward to your reply.

Sincerely,

John Linder  
Member of Congress

Comments: *Ash - Caller works in the radar detector industry (for 20 yrs) and is concerned with a new FCC regulation, FCC 02-211. It deals with detector admissions and unregulated admissions. Currently the regulation calls for it to be implemented in 60 days. He says this is much too short a time period, and previous regulations in other industries have allowed 14 months. Wants a stay or reconsiderion.*
